what makes us human

TASA 2022

TASA will be joining with 10+ associations for the inaugural Council for the Humanities, Arts and Social Sciences (CHASS) **HASS Congress** in Melbourne in late November/early December 2022. Each participating association will be holding their own conference at the University of Melbourne. There will be some shared events and opportunities for cross-discipline participation

Melbourne city will be swamped by Arts, Humanities and Social Sciences aficionados for in-person keynotes, concurrent sessions, public lectures, seminars, plenaries, professional development and social activities, and other events.
